

Algebra I  
11.5 Classwork  
Factoring  
Group Project

NAME: \_\_\_\_\_  
NAME: \_\_\_\_\_  
NAME: \_\_\_\_\_  
NAME: \_\_\_\_\_  
DATE: \_\_\_\_\_ HOUR: \_\_\_\_\_

You will need to work in a group of 3-4 people. You will receive a stack of 20 index cards with polynomials to factor. All of the polynomials are composite.

EACH MEMBER OF YOUR GROUP WILL NEED TO FACTOR 5 POLYNOMIALS.

Each member will write down 5 problems and the correct factorization then initial. Each group will submit 1 worksheet.

problem	factors	initial	problem	factors	initial
